- **Landing Page** – Visitors can learn about the African Impact Challenge and users can login/signup

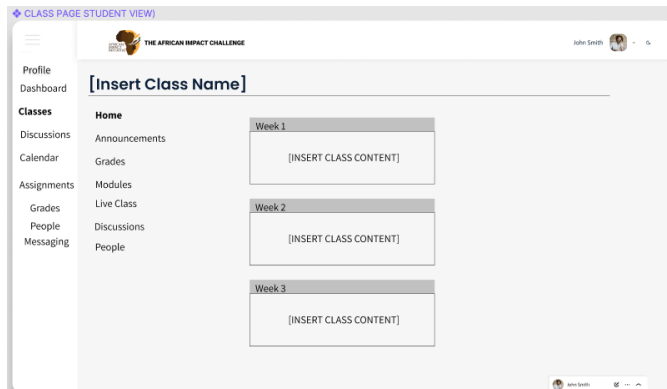

- **Login Page** – for all Entrepreneurs (incl. their company), Instructors, and Partners

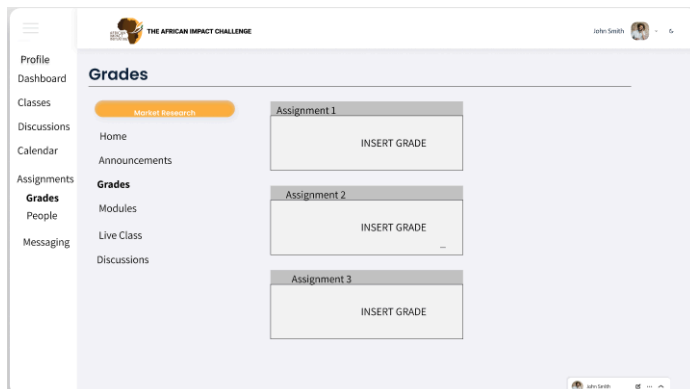

- **Sign Up Page** – Different sign up pages depended on the selected user type. There are sign up pages for Instructors, Entrepreneurs (and their company), Partners

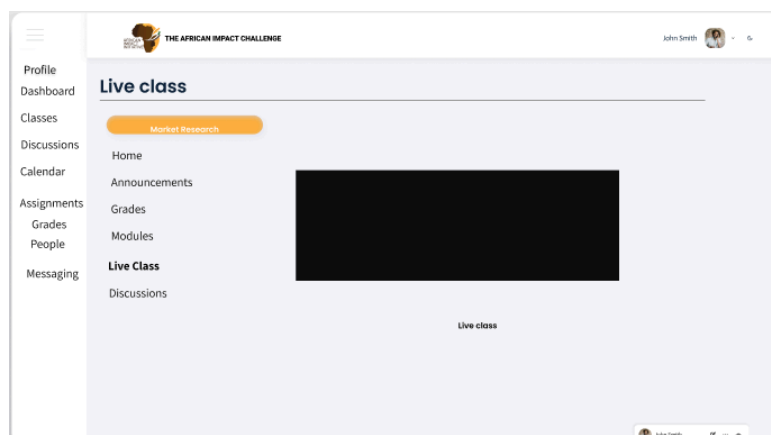

- **Dashboard Page (Entrepreneurs and Instructors)** – Displays subjects, upcoming workshops, and the option to create a page for their company

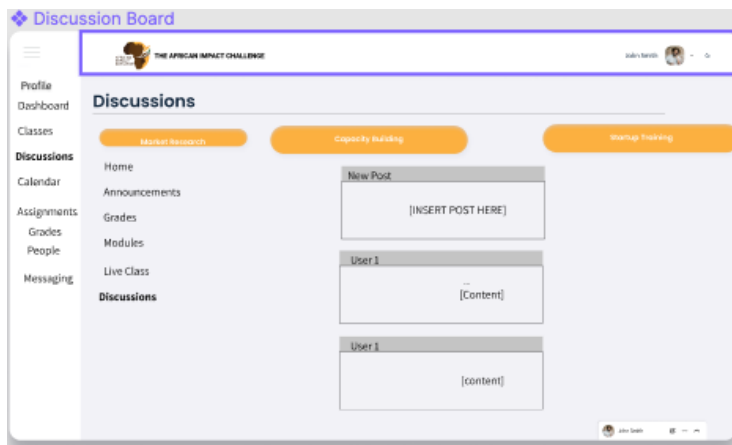

- **Classes Page (Entrepreneurs)** – Class content made available on home page. Relevant pages pertaining to e-learning accessible on the navbar – Home, Announcements, Grades, Modules, Live Class, Discussions, People. Note: Home page and Module page will be similar.

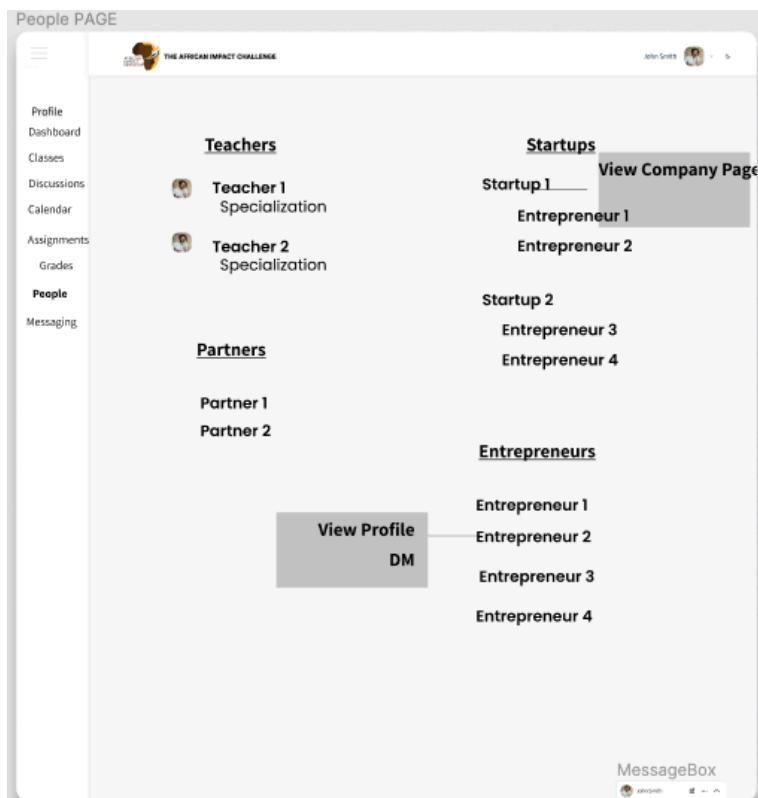

- **Grades Page (Entrepreneurs)** – Entrepreneurs select the class they want to view grades for

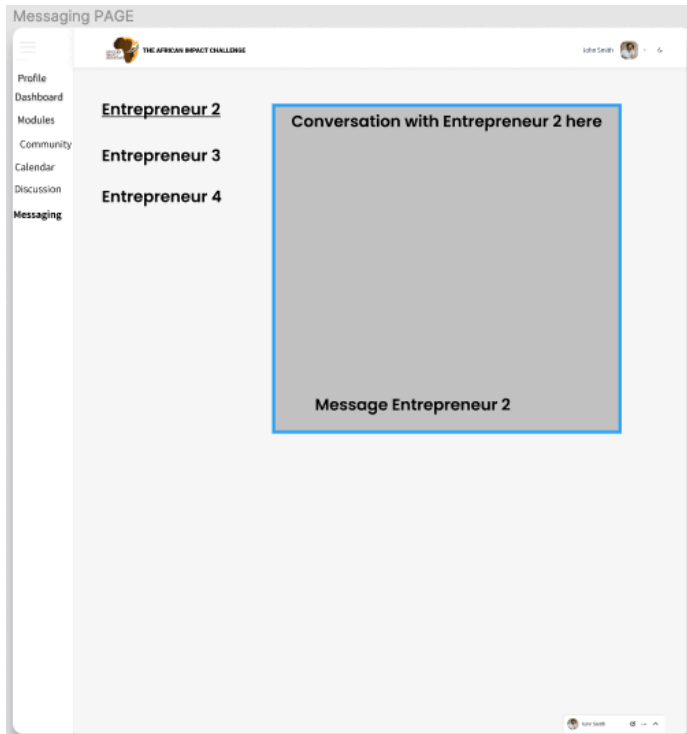

- **Live Class Page (Entrepreneurs and Instructors)** – to join the live classes

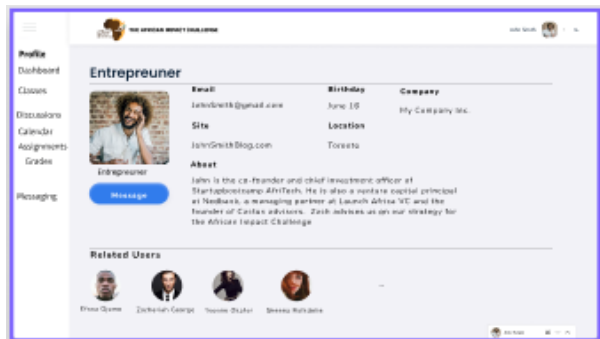

- **Discussion Board Page (Instructors, Entrepreneurs, Partners)** – There will be discussion boards for subjects that Instructors and Entrepreneurs can access. The general discussion board will be accessible by everyone

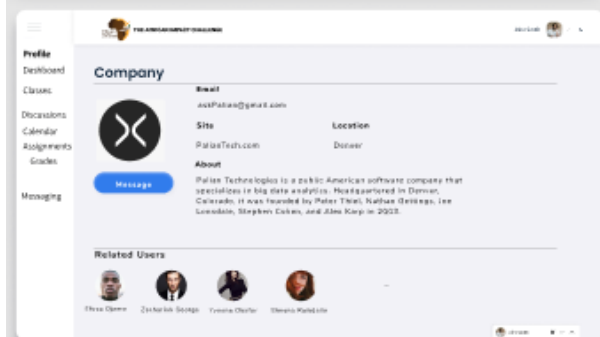

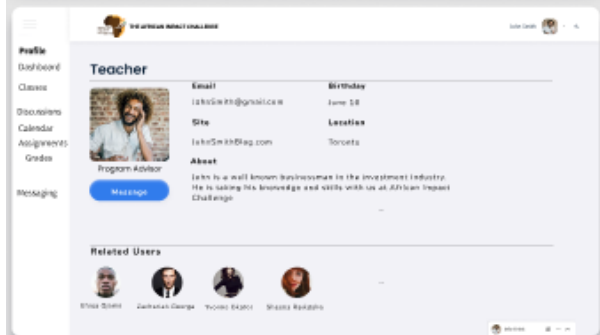

- **People Page (Instructors, Entrepreneurs, Partners)** – A directory of all users of the platform – teachers, entrepreneurs (and their company) and Partners. Hovering over a title produces a modal (see dark gray rectangle) with options to view the page or DM

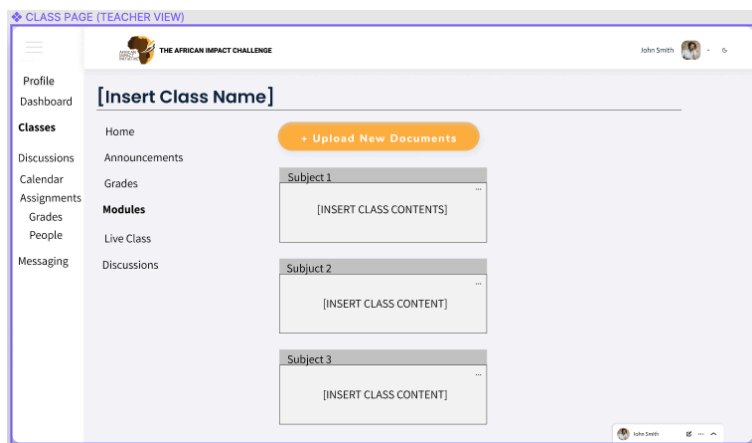

- **Messaging Page (Instructors, Entrepreneurs, Partners)** – Where all users in the application can send direct messages

- **Profile Page** – the profile page of the user who is currently logged in (whether it be an entrepreneur, teacher or company)

- **Class Page–Modules (Instructors)–** instructors have the ability to upload new documents to be made available for their students. The three dots button (as seen near top right of subject rectangles) will give instructors the ability to delete content (if necessary)
